LONG TERM DISABILITY INSURANCE

Compulsory (with waiver privilege)

DEFINITION OF TOTAL DISABILITY

A state of incapacity resulting from an illness, including surgical procedures directly related to family planning, an accident or complication of a pregnancy, requiring medical care and which completely prevents the person from carrying out the normal duties of employment or any comparable employment with similar remuneration offered to the employee by the employer. This definition applies up to age 65.

Elimination Period	104 weeks of total disability
Duration of Disability Pension	For as long as the total disability lasts, based on the definition applicable, up to age 65
Benefit Amount	Disability pension is established based on the participant's earnings, as follows: 65% of the first \$20,000 in gross annual salary 50% of the next \$20,000 45% of any excess amount
Indexation of Disability Pension	On January 1st of each year based on the QPP index (maximum 3%)
Disability Pension Reduction	 80% of the gross amount of the retirement pension payable by Retrait Québec (eg. RREGOP) or by another private retirement plan Gross amount of the disability pension payable by the CNESS SAAQ or by any other social legislation Net amount of the disability pension payable by the QPI

WAIVER PRIVILEGE

An employee may refuse to participate in this plan or terminate participation if he or she meets certain specific requirements, two of which are:

- Be aged 53 or over; or
- Have participated in the Government and Public Employees Retirement Plan (RREGOP) with 33 years or more of service.

HEALTH INSURANCE

Participation in the Basic Plan is compulsory (with right of exemption). Participation in Complementary Packages 1, 2, 3 and 4 is optional. Unless otherwise specified, expenses are reimbursed at 80% and the amount indicated, if any, is the maximum reimbursable amount, per insured. To be eligible, expenses incurred for services or supplies, examinations, care, expenses or their surplus must meet the reasonable standards of the common practice of the health professionals involved.

Transportation and accommodation expenses in Quebec*
Wheelchair, walker or hospital bed* (temporary use only)

Benefits indicated with an asterisk (*) require a medical prescription to be eligible for reimbursement.

PRESCRIPTION DRUGS*

Reimbursement

All eligible expenses are reimbursed at 80%. If you choose to purchase a brand name drug instead of any existing generic equivalent, the amount of reimbursement will be determined in accordance with its lowest cost generic equivalent⁽¹⁾. Besides, the amount taken into account in the calculation of the annual out-of-pocket maximum will be based on the lowest cost generic equivalent.

(1) It is possible to obtain a reimbursement based on the cost of the brand name drug that cannot be substituted for medical reasons, by submitting the appropriate form, duly completed by the attending physician. All professional fees required to complete the form are at the expense of the insured and Beneva must approve the request.

Compulsory Basic Plan

- Products on the regular list / Direct payment card
- 80% of eligible expenses (100% if the annual out-of-pocket exceeds \$1,047 / certificate)

Optional Complementary Packages 1, 2, 3 and 4

- 80% of eligible expenses (100% for Travel Insurance with Assistance, Trip Cancellation Insurance and hospital expenses in Canada (semi-private room))
- The four optional complementary packages provide you with additional coverage and benefits. Please refer to the table on the next page for the benefits available in each package.
- It is possible to participate in the Compulsory Basic Plan only without participating in any complementary package.

You can **participate in one or many complementary packages**. However, when you choose a package, you must complete the **minimum participation period of 24 months**. Each package has its own minimum participation period of 24 months.

You are allowed to **increase your Health Insurance coverage at any time**, without the requirement for evidence of insurability or life event. The increase or decrease in coverage under the Health Insurance plan will be effective on the first day of the pay period following the date the request is received by your employer.
